Academic Accommodations & Health Information Form

Academic Accommodations

Do you intend to request Academic Accommodations during your studies at Cattolica? (Extra time and/or separate room for exams, or other academic assistance)

- YES
- NO

If YES:

You will receive a formal communication with instructions regarding the type of accommodations you may request and the documentation required to support your request.

Such documentation includes:

- an official statement from your home university detailing any accommodations currently granted;
- medical documentation confirming your diagnosis.

Health Information

Providing health information in this form is voluntary. However, if you choose not to disclose a physical or mental health condition that may affect your participation in academic or campus activities, the University may not be able to offer appropriate support.
