ECTS credits reduction

Even if you are staying at Cattolica for the FALL SEMESTER ONLY, you might be interested in following *half* of an ANNUAL COURSE.

This is the procedure you should follow:

- Talk to the professor of the annual course you are interested in and ask them if you can follow *only half* of the course (during the FALL semester) and take the final exam during the January / February exam session.

- Add the course code to your study plan.

- As a consequence, you will receive a **REDUCTION OF CREDITS** (usually half) for that specific subject.

- Our office will take care of that.

Thank you!
