Useful Apps and Websites

iCatt
Personal student page
([Website](#) or [Android](#) | [Apple](#))

Blackboard
Manage your courses
([Website](#))

(to download once you have finalised your study plan)

These apps are very useful for you to have on your phone for when you are moving between lessons to check classrooms and buildings of your lessons. You will also receive updates and messages from your professors through Blackboard.

It is important to have your study plan FIXED on your iCatt page (web version) before you look on the app!

We recommend using
Chrome or Firefox browsers (NOT Safari)

You still have time to change your courses and update your study plan!

Your course schedule

How to add courses to **Blackboard**

- Blackboard is where you will receive course materials and communications from your professors.
- Once you have decided on your courses, **you must add each single course to BLACKBOARD through your iCatt page (web version).**
- **NB:** Blackboard is an essential informative and sharing platform, however it is NOT your study plan.

Make sure that the courses listed under the section STUDY PLAN (in iCatt) and the ones listed in BLACKBOARD correspond!

ECTS credits reduction

Even if you are staying at Cattolica for the **SPRING SEMESTER ONLY**, you might be interested in following *half* of an **ANNUAL COURSE**.

This is the procedure you should follow:

- Talk to the professor of the annual course you are interested in and ask them if you can follow *only half* of the course (during the SPRING semester) and take the final exam during the June / July exam session.
- Add the course code to your study plan.
- As a consequence, you will receive a **REDUCTION OF CREDITS** (usually half) for that specific subject.
- Our office will take care of that.

Thank you!
