- Professor name and course code
- See the **full course list** on the **International Curriculum page**.  
Look at it when making your **add/drop choices**.
- You are **not given a personalised schedule in this format** (you have the iCatt app)

# Course features

- In-person, not online
- Mandatory attendance
- 6 ECTS Credits (equivalent of 3 US credits)
- Students usually take between 3-5 courses
- Focus on interaction: your participation is key!
- Readings, exercises and short essays may be assigned – see the syllabus on BB.
- Travel time is given between lessons: you CAN take back-to back courses!
- Most classes meet **twice a week for 2 hours each session**, but some courses meet **once a week for 4 hours**.
- Field trips: opportunity to see real-life business situations and exhibitions.  
Attendance is mandatory unless you have other academic commitments. Provide evidence to your professor of your other academic commitment to be excused (e.g. screenshot of icatt)

# Notes

- *Prof Nielsen ZXP708: TA sessions to support you with homework tasks (not shown on the schedule): Tuesdays at 8:30-10:30 in C.310 from the 2<sup>nd</sup> week of the semester (2 March)*
- *Cannatelli – **Entrepreneurship lab (A&B)** start on 3 March. No lessons in first week.*
- *Prof Cannatelli sometimes merges his classes because he has 2x double editions of courses (Strategic Management, and Entrepreneurship lab). If you have a clash with another course, you are excused. Provide a screenshot of the clash to the prof.*

# Academic policies

[\(read them here\)](#)

- **In-person** attendance is mandatory for all classes
- Students must inform professors in advance if they cannot attend.
- **Excused** absences will not have a negative impact on your grade. (Permit of stay appointments, proof of sickness with a **local** doctor's note).
- **Unexcused absences may have a negative impact on your grade.** Check the allocation of the grade given to attendance and participation on the course syllabus.
- *For classes that meet **twice a week** the maximum number of unexcused absences before risking a fail is **five**. For classes that meet **once a week** the maximum number of unexcused absences before risking a fail is **two**. (this may differ for some courses: ask your professors).*
- **Exams cannot be rescheduled.** Read the **detailed syllabus** on Blackboard to know exactly when lessons, field trips and exams will be.
- Medical notes from **local** doctors **only** will be accepted. Any falsified notes presented to a professor may result in you receiving a fail for the course.

**Do not book a flight for the end of term without checking your exam dates.**

# What is Add/Drop?

- Add/drop is the name given to the **two-week window** where you can **change** your **International Curriculum courses**. You can add courses and drop them.
- The International Office manages all **requests** personally via an **online 15-minute videocall** with you.
- In the call you will tell us **which courses you are interested in joining** and we will see if there is space in the course in that moment. **If the course is full**, you can **request to join a waiting list**.
- The **number of available spaces** is not shown anywhere publicly, and it **changes every 15 minutes**. We check the situation every time we have a meeting - so this info becomes outdated every 15 minutes and is why you can't publicly see the course availability.

# Add/Drop meetings to change your courses

## **1<sup>st</sup> week of Add/Drop**

### **On Wednesday 18 February:**

Students will receive an email with a link to the International Curriculum page containing info about Add/Drop.

- **On Thursday 19 February until Sunday 22 February at 23:59** you can select your Add/Drop appointment day and time.
- Enter the [Book a meeting for Add/Drop week 1](#) link. **Link is active from 14:30.**
- Complete the **Add/Drop form (linked on the website)**, where you will write the courses you wish to Add and/or Drop.
- You will not be added to courses without a meeting, and drops will not be made if you also have courses in the 'add' section.
- If you only want to DROP a course, you don't need to schedule a meeting – you can just complete the drop form.

# Add/Drop meetings to change your courses

## **2<sup>nd</sup> week of Add/Drop**

### **On Thursday 26 February:**

Students will receive another email with a link to the International Curriculum page.

- **On Thursday 26 February until Sunday 28 February at 23:59** you can select your Add/Drop appointment day and time.
- Enter the [Book a meeting for Add/Drop week 2](#) link. **Link is active from 14:30**
- Complete the **Add/Drop form (linked on the website)**, where you will write the courses you wish to Add and/or Drop.
- You will not be added to courses without a meeting, and drops will not be made if you also have courses in the 'add' section.
- If you only want to DROP a course, you don't need to schedule a meeting – you can just complete the drop form.

# Suggestions for Add/Drop

- Verify your Add/Drop choices with your home advisor first! (check the course list and send them your course wishlist **today!**)
- Come to your online Add/Drop meeting with **back-up choices** in case your desired course/s are full.
- You also have the second week to modify your schedule – don't panic!
- Send us an email if you don't need your appointment anymore so it can be given to someone else.
- You don't need an appointment if you **only** want to drop a course. Just complete the **DROP** form and it will be processed by us within *around 24 hours*.
- **Waiting Lists for full courses will be created in the moment that a student asks to join a course and there is no more space.**
- If you tell us during the Add/Drop meetings that you wish to join the waiting list for a class, **check your emails**. **If you don't respond to confirm by the given date, you may lose your spot.**

# Withdrawal

- *To Withdraw* means to officially leave a course **after** the Add/Drop period.
- A ‘W’ will be reported on your final Transcript of Records and no credits will be assigned; the ‘W’ means that you left the course during the semester. (There is no negative impact)
- You can withdraw from courses after Midterm exams. You will receive an email giving guidance.
- You will find the **Withdrawal form** on the international curriculum page; which you must complete and send to [international.advisor@unicatt.it](mailto:international.advisor@unicatt.it) to officially leave a course.
- If you don’t plan to complete a course or take the final exam for a course but you do not officially **withdraw** from it, your Transcript of Records will show a **FAIL**.

# Courses with cooking labs

## Cooking lab fee: 80€ per course

- ZXP699 Italy a country to savor – Professor Pietroboni – **one** cooking lab in a professional kitchen
- **Lab date: 17th / 19th March. Students have already been allocated a date!**
- ZXP698 / ZXS171 The discovery of Italy through its culinary traditions – Professor Bettinelli and Casagrande – cooking labs **every week**

- **You have received an email** with more information (including which day your lab is), and the link to pay the fee **before 19 February.**  
*(Failure to pay will mean you are removed from the course).*
- **If you don't want to pay the fee, please let me know and I will remove you from the course.**

# Exams

**Midterm exams: 26 March – 1 April**

**Final exams: 25-29 May**

International courses end on or before the 29 May. You will not be asked to stay for an exam after that date!

The exams for each International course will be during the **regular lesson time for that course**. Read the syllabus /ask the professor for further details.

**You do NOT need to register to the International curriculum exams.**

(You **do** need to register for Academic curriculum courses. Listen to Laura Ferrari in the Academic curriculum session!)

*Italian language courses are NOT part of the International curriculum. Contact Laura Ferrari for those courses. You can't add/drop them in the add/drop period.*

**If you require academic accommodations** (extra time in exams, separate testing room, etc)

- We received your documentation in the application and you have received an email.
- You will receive another email with detailed info regarding your exams.
- You should inform your professors of any needs you may have in the classroom.
- If you need extra time/separate room, the International office will manage your exams.
- If you have **Academic Curriculum or Italian language courses** make sure you inform **Laura Ferrari** of your needs ASAP.

# How grades are assigned

- Grades are assigned according to the Italian grading system (30/30). A grade below 18/30 is insufficient and will be **marked as a Fail**.
- During the semester your grades will be available on **Blackboard**.
- **The absolute final course grade will be visible on your iCatt page at the end of the semester.**
- **Note: failing grades from the Academic Curriculum do not show on the Transcript**
- **Your home institution will convert the grade when Cattolica sends the final transcript to them via email at the end of your study abroad.**
