## Italian Masterpieces: Portrayal of a Culture through its Cinema

PROF. MARA PERBELLINI

### Overview

**Area:** Cultural Studies

**Dates:** 11– 22 July (2 weeks)

**Campus:** Milan

**Course Number:** FS/CMS310su

**Term:** Summer 2022

**Credits:** 6 ECTS

### Course description

The course will introduce students to the magic world of the “director superstar” Federico Fellini, who influenced the art of cinema all over the world.

Here’s a quotation from American director David Lynch, to give an example of how influential Fellini was to international directors: “If I had to choose films that represent, for me, examples of perfect filmmaking, the first would be 8 ½, for the way Federico Fellini managed to accomplish with film what mostly abstract painters do – namely, to communicate an emotion without ever saying anything in a direct manner, without ever explaining anything, just by a sort of sheer magic”.

After “meeting” the Master, students will discover the main trends and filmmakers in contemporary Italian cinema. Since cinema is a mirror to our world, students will learn a lot about contemporary Italian society through the seventh art.

### Course contents

In the first part of the course, after an introduction to cinema language and Italian cinema, we will focus on Federico Fellini’s career, from his debut as screenwriter during Neorealism to the masterpieces of the ‘50s and ‘60s.

We will then explore the boundaries of contemporary Italian cinema with the most significant directors and their movies: Roberto Benigni, Gabriele Salvatores, Matteo Garrone and Paolo Sorrentino (who won for best film in a foreign language at the Academy Awards 2014).

### Prerequisites

None

### Method of teaching

Screenings of clips from films, Lecture and film analysis, discussion of 7 mandatory films to be watched before class.

It is crucial that students watch the film prior to discussion in class.

## Grading

Class participation (including film discussions and presentations)	50 % of final grade
Final written exam	50 % of final grade

## Rules of conduct

**Attendance:** Attendance is mandatory and no absence/s will be excused. Please consider that Field Trips are considered equal to regular classes and indeed you are expected to attend the visits. Unexcused absences will not be accepted. An excused absence will only be granted if you are seriously ill and can support your claim with a local doctor's certificate dated the day you missed class (therefore you must go to the doctor that same day) that has to be delivered to the Professor or to UCSC International Office. Any other absence will not be excused and will result in not being admitted to the final exam, which corresponds to a 0 (zero) in the final exam.

**Exam Date:** The exam date cannot be re-scheduled. Should the dates of the final exams be moved for force major reasons, UCSC International Office and the Professor will promptly inform you in class and/or via e-mail on the new date agreed. Unexcused absences to the exams will result in a failing grade in the course. In cases of unforeseeable circumstances such as illness or injury on the day of the exams, you must submit a medical certificate and communicate your absence to the Professor and UCSC International Office via email prior to the exam. If the student does not justify his/her absence through sufficient documentation and with adequate notice before the final test, you will receive an automatic Failed. Absences for other unforeseeable circumstances will not be accepted and will result in a failing grade.
