## AT THE HEART OF EUROPE

Our **Milan campus** is located on hallowed turf. Developed around the original site of a monastery, it is in the very heart of the city. Home to **over 20,000 students**, our Doric and Ionic cloisters provide a haven of peace and grace within a city which offers an abundance of food, history, heritage and choice. Milan is **Italy's commercial heart**. Yet the city itself is a place of Cathedrals and Basilicas, galleries and museums, fortresses and canals, shops and restaurants, parklands and streetscapes.

Then we have our beautiful **campus in Piacenza**, in which we also include a small facility in nearby **Cremona**. Piacenza is located in the **culinary heartland of Italy**, a medieval town which is surrounded by the enchanting Italian countryside. Piacenza is quintessential Italy. Charming. Beautiful. Historic. And unrivalled.

Our **Rome campus** is home to our **School of Medicine and Surgery**, plus the campus is proud to host our **School of Economics**. The School of Medicine and Surgery is affiliated with the **Policlinico Gemelli University Hospital** meaning that all health students, across all fields, have access to a **world-class hospital** just a walk from our doorstep. Located just a few minutes from the center of Rome, our students benefit from access to internationally acclaimed experts in their field, including a truly impressive **43 Faculty members** listed among the **top Italian Scientists**.

## Italian language

### INTENSIVE AND SEMESTER COURSES

Università Cattolica has been welcoming, hosting and managing **hundreds of international students** within the scope of international mobility projects and to **promote internationalisation** for many years. The department organises Italian language courses designed for students who want to **learn, study and explore the Italian language**.

#### Milan campus

The **intensive course** (44 units - 6 ECTS) is held before the beginning of each semester.

The **semester course** (44 units - 6 ECTS) runs throughout the semester and in conjunction with other academic coursework.

**Important:** as a study abroad student you will benefit from a **consistent discount** on the **course fee**. You will however be asked to formally register for one or both courses. As part of the registration process you will be asked to complete an **online placement test** in order to assess which level is the most appropriate for you.

# A taste of Italy

## SHORT-TERM PROGRAMMES 2023

Università Cattolica's Summer and Winter programmes are ideal to get a taste of Italy while studying in a **traditional Italian educational context**.

### Language of instruction

All courses will be taught in English.

### A mix of theory and practice

Every week, students will participate in a site visit, strictly relevant to the course (business company, agency, etc) to ensure a 360° direct experience of the subject.

### Contact hours & credits

Each week session: Monday to Friday/44 contact-hours per session - 6 ECTS each course.

## EXPERIENTIAL LEARNING OPPORTUNITIES

### Milan campus

#### Internship Programme

Our experiential learning programme provides each student intern with an integrated academic and professional learning experience, which can be done during the study abroad term or immediately following it:

#### Part-time internship

During the academic semester, in combination with academic courses

#### Full-time internship

After completion of a semester of study OR a Winter short-term programme

#### Course

As integral part of the internship programme, participating students are required to take part in a parallel course/module that provides crucial skills development tools to put into practice during the internship experience. Credits: 6 ECTS

› [international.unicatt.it/internship](https://international.unicatt.it/internship)

#### Study Abroad Impact Lab

The Study Abroad Impact Lab is a complementary extracurricular course open to all international students and mandatory for those taking the internship option.

This 5-step special-content project is set up to maximize students study abroad experience and focus on building the skills they need to enter the job market.

Employability, soft skills, cross-cultural competencies will be the keywords of this intensive lab running before the semester.

#### Service Learning/Volunteering Abroad

This unique opportunity is designed to inspire students to serve a community abroad and develop soft skills that they will use in the future.

- When: Fall Semester: Sept - Dec or Spring Semester: February - May
- Credits: non-credit bearing

#### Area: Education and Language training

The Language Assistant Programme is addressed to Study Abroad and Exchange students who are interested in an enriching community engagement experience in an Italian environment. In collaboration with primary and secondary schools located in Milan and in the greater city area, students will have the chance to support teachers and work under their direction in classrooms and outside of class activities with the following tasks:

- Plan activities to motivate pupils/students to learn more about the target language
- Share aspects of your culture
- Organise group and class activities
- Boost conversation practice
- Help with text reading and comprehension
- Participate in activities aimed at teaching a specific subject in a foreign language

The placement will be in schools where the languages taught may be English, French, German and Spanish.

### Piacenza Campus

#### Independent Research Project

International students eager to work in a lab and develop a research on a particular topic or internship programme can apply for a research or internship experience in the area of Agricultural, Food and Environmental Sciences. Our campus in the Food Valley is a place where the core ingredients of Italian cuisine are in abundance, where students enjoy access to producers, manufacturers and distributors of iconic brand names. The School of Agricultural, Food and Environmental Sciences is divided in 2 institutes and 4 departments:

- Institute of Zootechnics
- Institute of Food and Nutrition Sciences
- Department of Sustainable Crop Production DI.PRO.VES., which includes three main areas:
  - Fruit Culture and Viticulture
  - Sustainable Crop and Food Protection
  - Agronomy and Plant Biotechnologies
- Department of Agro-Food Economics
- Department of Animal, Food and Nutrition Sciences
- Department of Di.S.T.A.S., including:
  - Agricultural, Food and Environmental Chemistry
  - Agricultural, Food and Environmental Microbiology
  - Food Technology, Enology and Environment

The Project can have a duration of 1 up to 6 months (negotiated with the academic supervisor) both in the Fall and Spring semester.

› [international.unicatt.it/research-project](https://international.unicatt.it/research-project)

### Rome Campus

#### Clinical Electives

The Medical School offers customized clinical internships to international students who are currently enrolled in undergraduate or master medical degrees at their home institution. Students have the opportunity to work at the hospital Policlinico "A. Gemelli", with health professionals in the area of their interest.

It is possible to customize the internship by providing a proposal with details on the training programme: the department, the subject, the duration (a minimum of 1 month is required), the dates, etc.

# **PUSH NEW BOUNDARIES**

# Student services

## BECAUSE WE CARE

### International Student Services

It is a students' home away from home and it houses the support staff: **advisors, mentors and friends**. Our staff have a unique understanding of the challenges experienced by international students, based on **firsthand international experience**.

The first place of assistance for students before, during and after their experience in Cattolica for the following matters:

- Academic
- Administrative
- Services
- Every-day life in Milan

### Scholarships

#### Dual citizenship scholarship

Open to all international students with an Italian passport. It consists of a special reduction on your semester tuition fee.

#### Mentor scholarship

Open to all international students enrolled in a semester or a degree programme at Cattolica. It consists of 50% reduction on the short courses (summer/winter) tuition fee.

### Health center

The Cattolica health center provides students with medical care, nursing care and psychological counseling. General, specialist (gynecology, ophthalmology, diet) and preventative medical examinations are available to students.

**Feature:** Access is free, no appointment needed. English-speaking doctors are available. Psychological counseling is offered on a fee paying basis for a maximum of 10 appointments.

### Student Life

#### International student associations

Erasmus Student Network (ESN) is an invaluable support network for international students. They organise numerous social and cultural events, tours and recreational activities.

#### Buddy programme

The Buddy Programme is aimed at creating the opportunity for inbound international students to meet Cattolica domestic students in order to simplify the transition into Cattolica campus life and to help them get the best out of their cultural and social life during their study abroad experience.

#### Ambassador programme

Tell other students about your study abroad experience and promote the internationalization of your campus once you return home! If you want to join this programme, you will be asked to organise at least three events per semester such as exhibiting at study abroad fairs, hosting an information session or presentation. In this way you will gain valuable experience for your résumé, receive an Ambassador Certificate and a reduction on tuition fees for future Cattolica programmes.

#### Mentor programme

Università Cattolica offers to all semester students the opportunity to extend their stay and join our Summer/Winter Programme as a group Mentor. Students will be supporting the International Office staff with activities for newcomers, whilst sharing their "expertise" on the city with the new students in an attempt to help them get adjusted.

### Library

A unique underground and prestigious library containing over 2 million volumes.

### Sport facilities

Centro Universitario Sportivo (CUS) is an association that promotes sport and physical education for university students in Milan. The CUS information point is located at the Milan campus, Largo A. Gemelli, 1.

GetFIT is a popular gymnasium located just 5 minutes walking distance from Cattolica Milan campus, boasting added value with a sauna, swimming pool and squash courts. **Feature:** Special gym subscriptions are available to international students thanks to the collaboration between Università Cattolica and GetFIT gym.

### The musical community

#### "Studium d'Ateneo - Note d'Inchiostro"

It is the centre of the musical community, with a highly reputed choir annually seeking new singers, and an orchestra eager for musicians to join the ensemble. "Studium - Note d'Inchiostro" organises concerts, courses, seminars, academic laboratories and summer schools.

### Accommodation

#### Semester

Finding a great place to live while studying abroad can really enhance your experience of University life.

Cattolica's student housing options are as numerous as they are varied: students may check a great number of platforms or seek assistance from ESN, the international student association.

There might be limited availability through Milano International Living Service (MIL Service), which offers single or shared rooms in fully furnished apartments.

#### Summer/Winter
