ECTS credits reduction

Even if you are staying at our University for the SPRING SEMESTER ONLY you might be interested in our ANNUAL COURSES, this is the procedure you will have to follow:

Talk to the professor of the course you are interested in and be sure he/she allows you to take the exam during the June/July exam session **only on the part of the course you will be able to attend** (the one taking place in the Spring semester).

This will have as consequence a **REDUCTION OF CREDITS** for that specific subject

Complete the following 2 steps:

STEP 1	STEP 2
Add your courses to the STUDY PLAN	In the e-mail you will receive in March when answering the question
	Are you taking any annual courses even though you are studying with us for one semester ONLY?
	Be sure you select YES If the answer is YES, you will be contacted later on.
