Attendance: Attendance is mandatory and no absence/s will be excused. Unexcused absences will prevent students from being admitted to the final exam. In case of health issues, students will need to inform both UCSC International Office (at international.advisor@unicatt.it) and the professor and provide a medical certificate.

Should students, for Covid-related issues, be prevented from traveling to Milan and taking in-person courses, but still would like to join the program, Università Cattolica will decide on a case by case basis whether or not the student will be authorized to join virtually.

Attendance will still be mandatory for all classes (exceptions to this rule will only be made for students who find themselves in a time zone that complicates live participation and if the course allows for asynchronous access to course content). Students attending live streaming must activate microphone and camera unless otherwise specified by the instructors.

Company visits (when in-person) will be substituted with an alternative academic activity

Exam Date: The exam date cannot be re-scheduled. Unexcused absences will result in a failing grade. In cases of unforeseeable circumstances such as illness or injury on the day of the exams, the student must submit a medical certificate and communicate his/her absence to the Professor and UCSC International Office via email prior to the exam. If the student does not justify his/her absence through sufficient documentation and with adequate notice before the final test, the student will receive an automatic Failed.
