The Cattolica International Curriculum has been created specifically **for international students only** and courses are formulated to have an international teaching approach.

The curriculum is managed by the Cattolica International department and this means that it operates in a different way to the wider Cattolica Academic Curriculum.

There are **limited spaces available** in the International Curriculum courses, so **students are required to complete the Online Registration**, where they secure their spot in the courses they want.

After this, students can change their course selections when they arrive at Cattolica, during the first two weeks of the semester in the Add/Drop period. In order to be prepared for the semester, we recommend that you read all the information on this page.

Academic Policies [\(read them here\)](#)

- **In-person** attendance is mandatory for all classes; students must inform professors in advance if they cannot attend. **Excused** absences will not have a negative impact on your grade.
- **Unexcused absences will have a negative impact on your grade.**
- *For classes that meet twice a week the maximum number of unexcused absences before a fail is **five**. For classes that meet once a week the maximum number of unexcused absences before a fail is **two**. (this may differ for some courses: ask your professors).*
- **Exams cannot be rescheduled.** Read the [detailed syllabus](#) on Blackboard to know exactly when lessons, field trips and exams will be.
- Medical notes from local doctors **only** will be accepted. Any falsified notes presented to a professor may result in you receiving a fail for the course.

Do not book a flight for the end of term without checking your exam dates.

What is Add/Drop?

- Add/drop is the name given to the two week window where you can change your International Curriculum courses. You can add courses and drop them.
- I (Olivia) manage all requests personally via an online 15 minute videocall with you.
- In the call you will tell me which courses you are interested in joining and I will see if there is space in the course in that moment. If the course is full, you can request to join a waiting list.
- The number of available spaces is not shown anywhere publicly, and it changes every 15 minutes.

- **Waiting Lists for full courses will be created in the moment that a student asks to join a course and there is no more space.**

Withdrawal

- *To Withdraw* means to officially leave a course **after** the Add/Drop period.
- A '**W**' will be reported on your final Transcript of Records and no credits will be assigned; the '**W**' means that you left the course during the semester. (There is no negative impact)
- You can withdraw from courses after Midterm exams. We will send an email.
- You will find the **Withdrawal form** on the international curriculum page; which you must complete and send to me / international.advisor@unicatt.it to officially leave a course.

Exams

Most International Curriculum final exams will be held between 26-30 May.

International courses end on or before the 30 May. You will not be asked to stay for an exam after that date!

The exams for each International course will be during the **regular lesson time for that course**. Read the syllabus /ask the professor for further details.

(You **do** need to register for *Academic curriculum courses*. Listen to Laura Ferrari later!)

Italian language courses are NOT part of the International curriculum. Contact Laura Ferrari for those courses.

If you require academic accommodations (extra time in exams, separate testing room, etc)

- We received your documentation in the application and I will email you with Midterm exam /Final exam accommodations offers.
- You should inform your professors of any needs you may have in the classroom.
- If you need extra time/separate room, I (Olivia) will manage your exams.

How grades are assigned

- During the semester your grades will be available on **Blackboard**.
- The **absolute final course grade will be visible** on your iCatt page **at the end of the semester**.
- Grades are assigned according to the Italian grading system (30/30). A grade below 18/30 is insufficient and will be **marked as a Fail** (*failing grades from the Academic Curriculum do not show on the Transcript*)
- **Your home institution will convert the grade when Cattolica sends the final transcript to them via email at the end of your study abroad.**
- Remember that you are not at your home institution and things are done differently elsewhere: you may be assessed differently and receive different grades.
