Università Cattolica del Sacro Cuore

OPEN NEW DOORS

Get ready to embark on a **once-in-a-lifetime journey** at Università Cattolica del Sacro Cuore, affectionally known as Cattolica, and shape the **education and experience** you want in **one of five iconic Italian cities of your choice**.

Università Cattolica, the **largest non-state University in Europe**, recognised by the **Italian Ministry of Education and Research**, offers a wide **variety of academic opportunities, with a breadth of programmes** taught in English or in Italian in Agribusiness, Banking, Finance and Data Science, Business and Management, Humanities, Marketing and Communication, Medicine, and Political Science. **Nineteen of the Universities disciplines** are ranked in the **TOP 400 in the world**, or higher, according to the **World University Ranking by Subject 2024**.

An **excellent academic reputation** and **a century of experience** are not the only things we are proud of. With a **vast student and campus diversity**, you are bound to find the right place and community that will help you **perform academically at your best** and **fulfill your long-term aspirations**.

Envision yourself in the sun-drenched **Rome** where an archaeological spectacle and three millennia of history await you at every corner, or **Milan**, home to many of the world's most famous luxury brands. Perhaps you will be charmed by the ancient wonders on the cobblestoned streets and laneways of the **Brescia** campus or will find yourself at the cross-roads of Italy's famous agricultural heartland in **Piacenza** and **Cremona**. Immerse yourself in innovation at our **newest campus in Bolzano** where Università Cattolica and Polo Universitario Claudiana launched a **groundbreaking Medicine and Surgery programme**.

Whichever location you choose, **you will always be part of the Cattolica family**. Its vast networks will **open doors around the globe**, and its **care** and **commitment** toward its students **ensure a fulfilling international study experience** that you will have difficulty finding elsewhere.

for more information about our campuses

1 - MILAN

Italy's economic powerhouse and fashion capital

The campus that offers the highest number of English-taught programmes. Students may choose from a range of semester, summer and winter programmes, as well as undergraduate and graduate degrees or Specialising Master programmes across eight Schools. Students can also pursue an internship or study abroad programme as part of their degree.

A historic city nestled between lakes Garda and Iseo

Università Cattolica's sustainable campus. The building is designed with a 70-kilowatt solar power system. The campus houses over 2,000 students from the Schools of Mathematical, Physical and Natural Sciences, Education, Psychology and an undergraduate programme from Political and Social Sciences.

2 - BRESCIA

3 - PIACENZA

Strategically located in Italy's Food Valley, minutes from Milan with a thriving agricultural economy

The Piacenza campus has on-campus Agribusiness laboratories including the most recent, SensoryLab, a sensory analysis laboratory, useful for students to learn the main sensory evaluation techniques applied to different food products from coffee to wine, oil and chocolate. The idea is to taste food, not only with the taste buds but to involve all the senses, from sight to smell, from hearing to touch.

A picturesque centre for music and history

The latest Università Cattolica campus is in Cremona, in the former Monastery of Santa Monica. The campus is set to design the future for the younger generations, highlighting the importance of learning, and making most of the territorial resources.

4 - CREMONA

The Eternal City, a cultural hub, home to iconic art and film, from the Sistine Chapel to "La Dolce Vita."

Università Cattolica, Rome campus is affiliated with the Policlinico Universitario Agostino Gemelli hospital which opened in 1964. It is ranked the best hospital in Italy and #35 worldwide based on the World's Best Hospital 2024 Ranking by Newsweek.

5 - ROMA

A vibrant, multilingual city in the Alps

Università Cattolica del Sacro Cuore and Polo Universitario Claudiana in Bolzano launch a groundbreaking Medicine and Surgery programme. This collaboration combines Claudiana's healthcare expertise with Università Cattolica and Policlinico Gemelli's innovation, offering advanced research, top-notch facilities, and a commitment to excellence

Welcome to "generation global"

OPEN YOUR WORLD

In the competitive world of employment, what truly stands out is **a portfolio that shows diversity and courage**: the **places** you have been and your **experiences**; your openness to **explore different cultures** and **willingness to listen**; your **communication skills** and **languages** you can speak; and, of course, your ability to be **part of a team, to think critically** and use your **creativity to solve problems**.

Such skills and accomplishments are becoming **more and more important for employers**. In some cases they may even be the **deciding factor** in getting the job or not. In other words, **your journey matters**.

Studying abroad is one of the **most meaningful experiences** you can undertake, providing tangible **proof of those soft skills** and demonstrating a **clear picture of your character**: having the courage to undertake such a journey. It is more than a degree; it is **independence, confidence** and **shaping** of an **authentic identity**.

And one day, you will utilise those qualities. To get the job you want, flourish within it, and **make a difference in your unique way**.

You are helping define a new era. You are a member of the world's first global generation that values the journey itself.

International Outreach

The Centre for Higher Education Internationalisation (CHEI)

The Centre for Higher Education Internationalisation (CHEI) is based at the Milan campus of Università Cattolica del Sacro Cuore. The centre offers a PhD programme in the Internationalisation of Higher Education in conjunction with the Doctoral Schools of Education and Linguistic Sciences and Foreign Literatures. It also conducts research and offer training in various aspects of the internationalisation of higher education through seminars and workshops for academics and professionals. Many of these initiatives are delivered through international partnerships, networks and projects. Learn more at centridiricerca.unicatt.it/chei

Cooperations

The International Cooperation Unit provides support for faculty members in their selection of adequate calls for applications that are launched mainly by the European Union, the Ministry of International Affairs and by other entities, such as various foundations. Università Cattolica actively cooperates with projects within the EU framework that focus on social and educational issues: inclusion strategies in education; social responsibility in business; the food supply chain (Faculty of Agriculture, food and environmental sciences) and others; intercultural and sports mediation in international diplomacy; internationalisation at home of the higher education; soft skills and new technologies in adult education; practical training exchanges for the students in medicine and surgery.

Confucius Institute at Cattolica (CI)

The Confucius Institute at Cattolica is dedicated to encouraging interest in and spreading knowledge of the Chinese language and culture in the University, in the city of Milan and more generally in the Lombardy region. The CI offers a variety of specially designed courses, activities and events for its members and the community, and provides specialised resources for learners and teachers.

Italian higher education system

STEP BY STEP

BSc Degree / Single-Cycle Degree

(Laurea Triennale / Ciclo Unico)

Course duration: 3/5/6 years

ECTS/Credit points: 180/300/360

Undertaken after a high school diploma obtained after a minimum of 12 years of previous global schooling, and achieved after at least 2 years of attendance within the same national education system.

MSc Degree (Graduate Degree)

(Laurea Magistrale)

Course duration: 2 years

ECTS/Credit points: 120

Undertaken after an undergraduate degree, obtained after a minimum of three years of study (180 ECTS) and in a subject that is relevant to the chosen degree course. Enables students to apply for a PhD at any Italian or international university.

Specialising Master (Graduate Diploma)

(Master Universitario)

Course duration: 1 year

ECTS/Credit points: at least 60 ECTS

A professionalising programme providing practical knowledge and training through coursework and internships. These Masters programmes within the Italian education system do not generally allow access to a PhD programme upon completion of the Master. Recognition of the Specialising Master towards a PhD programme outside of Italy will depend on local state regulations or individual doctoral programmes. Università Cattolica's English-taught 1-year specialising Master programmes include consultancy work projects that may lead to internships/job opportunities.

Doctoral Programme - PhD

(Dottorato di Ricerca)

Course duration: 3 years

ECTS/Credit points: 180

Undertaken after completion of at least an undergraduate degree, obtained after a minimum of three years of study (180 ECTS), except for 2nd Level Specialising Master It aims to develop the professional competence to carry out high level research in manufacturing and service companies, public bodies and universities.

What are the differences between 2-year MSc degrees and 1-year Specialising Masters?

The 2-year MSc degree:

- Is an academic degree of 120 ECTS
- Requires a similar academic background for access
- Provides advanced academic knowledge in highly specialised areas. Students will write a final dissertation
- The degree enables students to apply for a PhD at any Italian or international university, as well as to internships/job opportunities

The 1-year Specialising Master Diploma:

- Is a professionalising diploma of at least 60 ECTS
- Welcomes students from different academic backgrounds
- Focuses on specific topics and provides practical skills. There is dedicated time for an internship or project work and students will not write a final dissertation
- The diploma does not give students direct access to a PhD but leads to internships/job opportunities

DID YOU KNOW?

The BSc degree in Criminology, the only one of its kind in English on continental Europe, offers a unique interdisciplinary curriculum. Supported by Transcrime, a leading criminological research centre, students gain insights into crime prevention, risk assessment, and security management. This undergraduate degree emphasises methodologies and data analysis, equipping students with advanced skills to conduct rigorous research and interpret complex data related to criminal activity and prevention.

CAREER PATHS

- Law Enforcement, Criminal Investigation, and Crime Analyst:** Graduates can work in various capacities within police forces, including roles as detectives, crime prevention specialists, or crime analysts. They can also work in correctional facilities, focusing on investigative aspects and security management, ensuring effective oversight and risk assessment of inmates.
- Crime and Security Policy Officer and Analyst:** Working within public administrations and international organizations to support and implement policies related to crime, crime prevention, and security. This role involves advising on crime prevention strategies, criminal justice reform, and rehabilitation programs, as well as collaborating with international bodies like the United Nations or Interpol to analyze crime trends and develop global crime prevention initiatives.
- Compliance Officer:** Working on anti-money laundering, anti-corruption, and antifraud measures, ensuring that companies comply with legal standards and regulations.
- Crime Prevention and Security Manager:** Working in industries such as retail and logistics to develop and implement strategies for crime prevention and security. This role involves ensuring the safety of assets, employees, and customers, conducting risk assessments, managing security protocols, and collaborating with law enforcement agencies to mitigate potential threats and respond effectively to incidents.

BECAUSE WE CARE

Working while studying

Non-EU students entering Italy on a student visa are permitted to work part-time (20 hours per week). Please note that many part-time job employers may require students to have a good knowledge of the Italian language.

Accommodation

Università Cattolica facilitates the search for accommodation by providing placement options at residences or other housing types in the city, or a list of recommended private housing providers specialised in international student accommodation. Each city campus will have different options.

Medical insurance

EU Citizens

If you are a citizen from either an EU Member State or an EEA country or you are of Swiss nationality, you should have a European Health Insurance Card (eHIC, Italian acronym: TeAM) obtained in your home country from your national healthcare authority. The European Health Insurance Card (or eHIC) allows

you to receive medical treatment in another member state for free, or at a reduced cost. A patient contribution is required for prescriptions, medical examinations, oral and dental care.

Non-EU citizens

If you are a non-EU citizen you must take out an International Health Insurance which covers costs related to medical treatment and admission to hospital. If allowed by the Embassy/Consulate, you can also buy an Italian national Health Insurance upon arrival to Italy. Cattolica International will provide all necessary forms during the Orientation event.

All enrolled students are allowed to sign up for a health insurance policy provided by Università Cattolica valid for up to 12 months and renewable each year of enrolment at no additional cost. All eligible students will be notified of the terms and procedure to register. This coverage will cover students in Italy and other countries outside of the student's country of origin/residence.

Local transportation

Students on all campuses will have access to discounts on public transportation, as well as bike-sharing services.

Waiting list

Applicants for programmes that receive a high volume of applications and/or reach full capacity before the last deadline, may be placed on a waiting list. Details on the release will be communicated online.

Tuition fees and scholarships

Tuition fees depend on fiscal residency, not on citizenship.

The yearly tuition fee is divided in different instalments.

The first instalment is paid upon confirmation of admission: **€1,470** for **BSc degrees**, **€4,000** for **Medicine and Surgery**. The remaining instalments will be paid during the year of attendance.

PROGRAMME	FISCAL RESIDENCY	TUITION FEES PER YEAR	SCHOLARSHIP OPPORTUNITIES
3-year BSc degrees	Italian residents (Fees vary according to the financial background)	from € 3,800 to € 10,400*	Financial aid and scholarship opportunities administered by EDUCatt . For details refer to educatt.eu
	EU residents (excluding Italy)	€ 6,360**	
	NON-EU residents	€ 8,500	The UCSC International Scholarship reduces the yearly tuition fee to €5,600 .
6-year Medicine and Surgery (Rome)	All students	€ 18,000	Financial aid and scholarship opportunities administered by EDUCatt . For details refer to educatt.eu
6-year Medicine and Surgery (Bolzano)	All students		Scholarship opportunities administered by the Province of Bolzano . For details refer to international.unicatt.it › Admission and tuition › Tuition fees and scholarships

*Students will be assigned the default maximum tuition rate if they do not provide their family's income tax declaration.

**Applicable to students with an annual family income below €100,000 who provide their family income tax declaration at enrolment. If the annual family income is higher or if the required documentation is not provided, the default maximum tuition rate (c.a. €10,400) will be applied.

General entry requirements

- A high school qualification awarded after a minimum of 12 years of previous global schooling, and achieved after at least 2 years of attendance within the same national education system
- The high school qualification has to satisfy the requirements for access to university-level studies in the awarding country. If admission is subject to a national exam (e.g. Gao Kao in China, YKS in Turkey, ENEM - Vestibular in Brasil), candidates must give evidence to have passed such selection of exams with the College Board.
 - ▣ American Diploma with additional 3 AP exams with the College Board
 - ▣ British Diploma: min. 3 A-levels in subjects relevant to the chosen programme
 - ▣ IB Diploma: full diploma, awarded by the session of May 2025
- Most BSc degrees require a GPA of 75% or above (31 points for IB Diploma Curriculum, CCC for A-levels) to submit an application.
- **Medicine and Surgery:** above requirements and passing Cattolica entrance exam. According to your citizenship, you must rank within the first 70 (non-EU) or first 30 (EU) places for the programme taught in Rome, while you must rank within the first 10 (non-EU) or first 50 (EU) places for the programme taught in Bolzano.

In the case of students with double citizenship, if one is of an EU country, it will prevail for the final ranking of the Competition Call (art. 19, comma 2, of L. n. 218/1995).

In the case of students not confirming their offer and therefore making their seats available, we will move down the respective EU or non-EU ranking.
