If you only want to ADD courses and you don't wish to DROP any courses, please complete part B and leave part A blank. Please save the completed form as your SURNAME_NAME and email it to the address above.

If you want to ADD and DROP, please complete both parts of the form. You will not be dropped from the indicated courses until the online TEAMS meeting where you will discuss your course modifications with the International Advisor. I understand that:

*If the International Office confirms during the online Add/Drop meeting that the course/s can be added, they will be added to my iCatt page (Online registrar tab, Study Plan).

*If the International Office states during the online Add/Drop meeting that I have been placed on the Waiting List for a specific course, I will be added to the course AUTOMATICALLY if a space on the course becomes available. The course will be displayed automatically on my iCatt page (Online registrar tab, Study Plan) and I will NOT be notified by email of this.

*If I do not want to be in the courses that are/ have been added to my Study Plan, I must send a completed DROP form to international.advisor@unicatt.it for those courses by the Add/Drop deadline.
