Location highlights

AT THE HEART OF EUROPE

Our **Milan campus** is located on hallowed turf. Developed around the original site of a monastery, it is in the very heart of the city. Home to **over 20,000 students**, our Doric and Ionic cloisters provide a haven of peace and grace within a city which offers an abundance of food, history, heritage and choice. Milan is **Italy's commercial heart**. Yet the city itself is a place of Cathedrals and Basilicas, galleries and museums, fortresses and canals, shops and restaurants, parklands and streetscapes.

Then we have our beautiful **campus in Piacenza**, in which we also include a small facility in nearby **Cremona**. Piacenza is located in the **culinary heartland of Italy**, a medieval town which is surrounded by the enchanting Italian countryside. Piacenza is quintessential Italy. Charming. Beautiful. Historic. And unrivalled.

Our **Rome campus** is home to our **School of Medicine and Surgery**, plus the campus is proud to host our **School of Economics**. The School of Medicine and Surgery is affiliated with the **Policlinico Gemelli University Hospital** meaning that all health students, across all fields, have access to a **world-class hospital** just a walk from our doorstep. Located just a few minutes from the center of Rome, our students benefit from access to internationally acclaimed experts in their field, including a truly impressive **43 Faculty members** listed among the **top Italian Scientists**.
