Make sure to understand that  
UCSC Academic Curriculum and UCSC International Curriculum have  
**2 different calendars for the semester!!**

# Academic curriculum - Online classes

2020: classes will resume in **September** on all University campuses in a mixed form, **whether with students physically present on campus or online**, in line with the philosophy that *"Everything possible will happen on campus, everything necessary will be delivered remotely"*

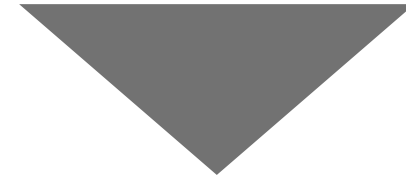

During **Fall 2020** international students will NOT be allowed to attend classes. **ALL CLASSES CAN HOWEVER BE FOLLOWED REMOTELY AS ALL CLASSES WILL BE RECORDED AND SAVED ON THE BLACKBOARD PLATFORM.**

**Personal iCatt page and Blackboard** are the essential means of communication for information about how classes and exams will be held and how to access services. We recommend you start to use these two resources as soon as possible

# The Blackboard Platform (Bb)

- In order to access the platform, live sessions, recordings and the available materials, **you will need to register by adding your Blackboard classes through your I-catt page.**
- You will need to manually add into Bb your UCSC Academic Curriculum courses.
- Should you also have selected courses from the UCSC International Curriculum or Italian Language classes, please note these will be automatically added to your Bb by our office.
- **NB:** Blackboard is an essential informative and sharing platform, however it is NOT your study plan. We will work on that together later on.
